

Brush and Clean Expands Into North America

Ft. Lauderdale, FL, Aug. 2, 2010--Brush and Clean, a manufacturer of dry carpet and flooring cleaning systems, chemicals and accessories worldwide, said it has expanded into North America, with the opening of its headquarters in Ft. Lauderdale and distribution facility in Pennsylvania.

The company, known in European, South American and Asian markets, has been in business for more than 20 years and operates in more than 35 countries.

Brush and Clean manufacturers EPA DFE equivalent, low-moisture dry carpet and tile flooring cleaning systems and "green" chemicals that allow carpet cleaning companies, property management and facilities managers in a variety of industries to provide "No Drying Time" carpet and tile cleaning.
